

BLUAC Steering Committee
Jun 16, 2005 Minutes

The meeting was called to order at 12:00 PM by Chairman Averill. Minutes were approved as read. An update was given on the progress of the Bigfork Survey tally. As of this date, 750 surveys were completed on the tally sheets. There are 19 tally sheets (475 surveys) entered on the computer data base. A printout of the data base completed to date (25% of the total surveys returned) was displayed to show trends in the survey. It was encouraging to the volunteers working to tally results to see the fruits of their efforts. To date, 54 volunteers have help with the tally process.

Also printed out were samples of the written comments that are documented separately from the data base. The written comments will be available to public view along with the results of the data base when the results are displayed at the Bigfork Library.

The Bigfork Eagle was present to take photographs of the process. A committee member asked which of the BLUAC members had participated in the survey tally process. John Bourquin, Phil Hanson and Clarice Ryan were the members who had participated. Scott Hollinger, Tim Calaway, Bob Keenan and Jack Paulson had not attended work sessions to date.

Shelley Gonzales reported there is approximately \$3,000 in the Steering Committee account. She suggested that an additional donation be made to the Bethany Lutheran Church for the use of their facility for the Steering Committee meetings and tally process. In April, the committee donated \$300 to the church for the prior use of the facility. Craig Wagner made a motion that \$600 be donated to the Bethany Lutheran Church. Bob Hoene seconded the motion. Motion passed unanimously.

Meeting was adjourned at 12:20 PM

Sue Hanson
